About FPUA: Fort Pierce Utilities Authority is a municipal utility whose mission is "to provide our customers with economical, reliable and friendly service in a continuous effort to enhance the quality of life in our community." Fort Pierce is one of more than 2,000 communities in the United States served by a community-owned electric utility, and one of very few who also provide water, wastewater, natural gas, and Internet services. Public utility systems are owned by the people they serve. All benefits from our locally controlled utility remain right here in the community. Additional information is available at www.fpu.com.
