B. METERED WASTEWATER : Wastewater charges are based on the quantity of wastewater discharged to the UA's wastewater system. If the total water entering a commercial establishment will not be discharged to the UA's wastewater system, a separate water Meter may, at the discretion of the UA, be installed on the water line which discharges to the wastewater system. Such Meters shall be installed and maintained at the expense of the user, and the UA shall, at all times, have access to such Meters for the purpose of inspecting, testing, repairing, replacing or reading such Meters. Where no provision is made to meter the wastewater and/or water discharged to the wastewater system, the wastewater charge shall be based on the total monthly metered water usage.

be determined by the Director of Utilities or his or her authorized representative. This charge will be billed monthly.

D. REFUSAL OF PRIVATE SEPTAGE: The UA's treatment facilities for treatment and disposal are not designed to accept private septage and the UA shall accordingly refuse to accept private septage into its system.

E. TAX ADJUSTMENT CLAUSE: The amount computed at the above monthly rate shall be subject to taxes, assessments and surcharges imposed by any governmental authority which are assessed on the basis of Meters or Customers or the price of or revenues from wastewater service sold.

A surcharge of 25% shall be added to all rate schedules for service provided outside the city limits of the City of Fort Pierce, Florida. The amount will not exceed the limitation established by Subsection 180.191, Florida Statutes.

F. FRANCHISE FEE: A franchise fee is applied to the charges for utility services (exclusive of any municipal tax) provided to Customers within the jurisdictional limits of each municipal or other governmental body requiring the payment of a fee from the UA pursuant to a franchise ordinance. The franchise fee shall be determined in a manner which reflects the UA's payments to each governmental body based on the provisions of the franchise ordinance.
