RATE SCHEDULE OL
OUTDOOR SECURITY LIGHTING ELECTRIC SERVICE RATE SCHEDULE

The Fort Pierce Utilities Authority shall charge and collect for outdoor security lighting electric service on the following bases of availability, application, character of service, limitation of service, monthly rate, power cost adjustment, tax adjustment, and other appliance charges.

AVAILABILITY:

This schedule is available throughout the entire territory served by and at the option of the Fort Pierce Utilities Authority.

APPLICATION:

For year-round automatically controlled dusk-to-dawn security lighting of privately owned roads or streets, and privately or publicly owned yards, driveways, walkways, parks, recreation areas, buildings, and other similar type areas.

CHARACTER OF SERVICE:

Service under this rate schedule shall be alternating current, 60 Hertz, single phase at the Fort Pierce Utilities Authority's standard voltages and includes lamp renewals, automatically controlled energy from approximately dusk each day until approximately dawn the following day, and maintenance of the facilities. The Fort Pierce Utilities Authority will replace all burned-out lamps and will maintain its facilities during regular working hours as soon as practicable following notification by the customer that such work is necessary. The Fort Pierce Utilities Authority shall be permitted to enter the customer's premises, without being subject to trespass, at all reasonable times for the purpose of inspecting, maintaining, and installing or removing any or all of its equipment or facilities. The customer may be requested to reimburse the Fort Pierce Utilities Authority for the cost of any maintenance work which is required because of vandalism.

LIMITATION OF SERVICE:

Lights to be served hereunder shall be at locations that, in the opinion of the Fort Pierce Utilities Authority, are easily and economically accessible to the Fort Pierce Utilities Authority's equipment and personnel for construction and maintenance. The location of lighting fixtures shall be by mutual agreement and shall not be so located as to create a public nuisance. Substantial and material complaints registered by neighboring customers affected by the light(s) may, at the discretion of the Authority, be grounds for removal or relocation of said light(s). The Fort Pierce Utilities Authority, while exercising reasonable diligence at all times to furnish services hereunder, does not guarantee continuous lighting and will not be liable for damages resulting from any interruption, deficiency, or failure of service and reserves the right to interrupt service at any time for necessary repairs to lines and equipment or for system protection. It is the customer's responsibility to keep trees, shrubs and other plants clear of the lighting pattern of the lighting fixture and the wires serving the lighting fixture.

Power Cost Adjustment:

The amount computed at the above monthly rate shall be adjusted plus or minus by an amount calculated in accordance with the formula specified in the Fort Pierce Utilities Authority's Power Cost Adjustment Clause which is a part of the "Monthly Rate" of this rate schedule. The monthly Power Cost Adjustment charge, if any, will be determined as follows:

Average Monthly kWh usage times the monthly Power Cost Adjustment Factor
(expressed in dollars per kWh).

ISSUED BY: Director of Corporate Services

EFFECTIVE: September 21, 2004

(Continued from Sheet No. 14.2)

Tax Adjustment:

The amount computed at the above monthly rate as adjusted by the application of the monthly Power Cost Adjustment Clause shall be subject to taxes, assessments, and surcharges imposed by any governmental authority calculated in accordance with the Fort Pierce Utilities Authority's Tax Adjustment Clause which is made a part of this rate schedule.

INSTALLATION CHARGE:

There will be no installation charge for standard fixtures placed on an existing standard wood pole located within 100 feet of an existing secondary facility served by overhead lines. The pole and light fixture will remain the property of the Fort Pierce Utilities Authority. Any relocation requested by a customer after installation shall be made at the customer's expense.

In addition to the charges which may be incurred as provided for under "Limitation of Service" herein, the Fort Pierce Utilities Authority will levy a charge of twenty-five dollars (\$25.00) for each light fixture the Fort Pierce Utilities Authority is requested to disconnect.

CHARGES FOR SPECIAL POLES:

If standard, concrete poles are requested by the customer, the customer shall reimburse the Fort Pierce Utilities Authority for the installed cost differential between a standard wood pole and the requested standard concrete pole. Any non-standard pole (i.e., fiberglass, steel, aluminum, etc.) and/or non-standard fixture will be purchased, installed, and maintained by the customer. The FPUA will furnish "energy only" to such non-standard poles/fixtures. The Authority reserves the right to install, at its own expense, standard concrete poles if it determines such installation is in the best interest of the Authority and/or the general public.

CHARGES FOR UNDERGROUND SERVICE:

If underground service is requested by the customer, the customer shall reimburse the Fort Pierce Utilities Authority for the total cost differential between a standard overhead configuration and the requested underground service configuration.

TERMS OF PAYMENT:

The terms of payment shall be in accordance with the provisions set forth in the Fort Pierce Utilities Authority's Electric Service Standard Provisions.
